Copy URL

**-Copy the URL**

e.g. john@promoting.com

Don't worry if you haven't purchased it yet — we'll handle the setup.

**5 Paste your Stripe payment link below**

This is the link we'll connect to the "Make a Payment" button on your website so customers can pay you directly.

**How to get your Stripe payment link:**

- 1. Create a free account at [stripe.com](https://stripe.com)
- 2. In your dashboard, go to **Payment Links** → **+ Create**
- 3. Set it to accept any amount your customers enter
- 4. Copy the link (it starts with [buy.stripe.com](https://buy.stripe.com)/...) and paste it below

No Stripe account yet? Leave this blank — you can send it to us later and we'll add it in.

**-Then paste the URL in full here**

**6 Upload high-quality photos of your business**

These will appear on your website. The better the photos, the better your site looks. Include work photos, team photos, before/afters — whatever represents your business best.
